

Miami Valley Fair Housing Center Inclusive Community Fund

Grant Application for Quality of Life Projects **2nd Round of Funding**

Grant Information for Quality of Life Applications

Mission Statement

The mission of the Miami Valley Fair Housing Center (MVFHC) is to eliminate housing discrimination and ensure equal housing opportunity for all people in our region.

History

MVFHC is a private, non-profit organization in Dayton Ohio that enjoys 501(c)(3) tax-exempt status from the Internal Revenue Service since 1993. The work under the investigation and resolution that led to the development of the Inclusive Community Fund is a continuation of the critically important work that MVFHC has been engaged in since 2001, addressing the predatory mortgage lending and foreclosure crisis.

Source of Funds for this Grant Program

Through the work of MVFHC staff in evaluating REO (Real Estate Owned/foreclosed) properties and analyzing their maintenance and marketing for sale, the MVFHC was able to join with several other fair housing organizations in three nationwide fair housing cases alleging differential treatment by lenders in how they marketed and maintained foreclosures in neighborhoods of color versus white neighborhoods. One of those cases, filed against Wells Fargo, reached a resolution in June 2013 in which the MVFHC was a party. This settlement included pass through funds for grants to be administered by the MVFHC in neighborhoods of color impacted by foreclosures.

Purpose of Funds

Reinvestment in neighborhoods of color to counteract the devastating damage to Dayton area neighborhoods resulting from foreclosure and alleged unlawful marketing and maintenance practices.

MVFHC is soliciting applications from non-profit organizations, neighborhood associations, social or fraternal organizations, or other unincorporated groups in the following program area:

- **Quality of Life Projects in zip code 45417 in the City of Dayton and zip code 45426 in the City of Trotwood:** Examples could include modifying a vacant lot into a pocket park or urban garden; repairing recreational trails used by the neighborhood or adding accessible features/routes for those with disabilities; public arts projects such as murals promoting diversity, civil rights or fair housing; neighborhood beautification projects; or other new, innovative projects.

Eligibility

Grants are awarded at MVFHC's sole discretion for projects/programs, to organizations which are tax exempt under Section 501(c)(3) of the Internal Revenue Code, **and for this program only, to neighborhood associations, social or fraternal organizations, or other unincorporated groups that may not have a formal structure or tax exempt status**, are consistent with the MVFHC's mission and target the funding purpose for this program. All applicants must meet the grant application criteria.

Proposals must target or work in neighborhoods in zip codes 45417 in the City of Dayton *and* 45426 in the City of Trotwood.

Organizations/groups that already receive significant funds for similar projects are discouraged from applying. MVFHC is seeking to fund projects where there are currently funding gaps or lack of adequate funding. Use this application to apply for new, innovative projects.

Applications must be project specific. **MVFHC is not able to consider any applications for general operating support, neighborhood festivals, block parties, neighborhood meetings or similar events.**
